

# A COMPLETE PAYMENT PROCESSING CENTER – ONLINE, ANYTIME. THAT’S TRANSACTION EXPRESS™.

The flexibility and reliability you need to grow your business – only from TransFirst®.

Imagine a payment processing system that lets merchants accept credit cards and signature debit cards – all through any Internet connection, with no terminal needed. With Transaction Express, you don’t need to imagine it – you can have it today.

## MORE PAYMENTS = MORE BUSINESS

Transaction Express, TransFirst’s new payment gateway, puts control of your business’s payment acceptance into your hands, wherever you are – in your store, at your office, in your favorite coffee shop. And no matter how you access the Internet – desktop computer, laptop, tablet or smart phone – you’ll have the power to grow your business right at your fingertips.
